AB 280 ([Aguiar-Curry, D](#)) **Health care coverage: provider directories.**

Current Text: 07/15/2025 - Amended [HTML](#) [PDF](#)

Introduced: 01/21/2025

Last Amended: 07/15/2025

Status: 09/11/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/8/2025) (May be acted upon Jan 2026)

Location: 09/11/2025 - Senate 2 YEAR

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a health care service plan and a health insurer that contracts with providers for alternative rates of payment to publish and maintain a provider directory or directories with information on contracting providers that deliver health care services enrollees or insureds, and requires a health care service plan and health insurer to regularly update its printed and online provider directory or directories, as specified. Existing law authorizes the departments to require a plan or insurer to provide coverage for all covered health care services provided to an enrollee or insured who reasonably relied on materially inaccurate, incomplete, or misleading information contained in a plan's or insurer's provider directory or directories. This bill would require a plan or insurer to annually verify and delete inaccurate listings from its provider directories, and would require a provider directory to be 60% accurate on July 1, 2026, with increasing required percentage accuracy benchmarks to be met each year until the directories are 95% accurate on or before July 1, 2029. The bill would subject a plan or insurer to administrative penalties for failure to meet the prescribed benchmarks. The bill would require a plan or insurer to provide coverage for all covered health care services provided to an enrollee or insured who reasonably relied on inaccurate, incomplete, or misleading information contained in a health plan or policy's provider directory or directories and to reimburse the provider the out-of-network amount for those services. The bill would prohibit a provider from collecting an additional amount from an enrollee or insured other than the applicable in-network cost sharing, which would count toward the in-network deductible and out-of-pocket maximum. The bill would require a plan or insurer to provide information about in-network providers to enrollees and insureds upon request, including whether the provider is accepting new patients at the time, and would limit the cost-sharing amounts an enrollee or insured is required to pay for services from those providers under specified circumstances. The bill would require the health care service plan or the insurer, as applicable, to ensure the accuracy of a request to add back a provider who was previously removed from a directory and approve the request within 10 business days of receipt, if accurate. The bill would authorize a health care service plan or insurer to include a specified statement in the provider listing before removing the provider from the directory if the provider does not respond within 5 calendar days of the plan or insurer's annual notification. Because a violation of the bill's requirements by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 07/15/2025 text)

[AB 1190](#) ([Haney, D](#)) Department of Motor Vehicles: private industry partner fees.

Current Text: 06/23/2025 - Amended [HTML PDF](#)

Introduced: 02/21/2025

Last Amended: 06/23/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Senate 2 YEAR

Summary: Existing law authorizes the Department of Motor Vehicles to establish contracts for electronic programs that allow qualified private industry partners, including second-line business partners, to provide services that include processing and payment programs for vehicle registration and titling transactions. Existing law authorizes the department to establish the maximum amount that a qualified private industry partner may charge its customers, but requires the department to annually adjust that amount, as specified. The bill would, notwithstanding the above-described authorization to establish maximum charge amounts, require the department to limit the amount that any qualified second-line business partner may charge an individual customer for a vehicle registration renewal that is processed on the second-line business partner's internet website to no more than the maximum amount a first-line service provider may charge its customers. The bill would also direct the department to require all qualified second-line business partners to prominently display on their internet websites, in a clear and conspicuous manner, a working link to the department's internet website with a specified statement informing the public that consumers may obtain services from the department at no additional cost. [SB 888](#) ([Seyarto, R](#)) Property taxation: disabled veterans' exemption: household income.

Current Text: 03/26/2026 - Amended [HTML PDF](#)

Introduced: 01/14/2026

Last Amended: 03/26/2026

Status: 06/17/2026 - Coauthors revised. From committee: Do pass and re-refer to Com. on REV. & TAX. (Ayes 8. Noes 0.) (June 16). Re-referred to Com. on REV. & TAX.

Calendar: *06/22/26 A-REVENUE AND TAXATION 3:30 p.m. - State Capitol, Room 126 GIPSON, MIKE, Chair*

Location: 06/17/2026 - Assembly Revenue and Taxation

Summary: The California Constitution provides that all property is taxable and requires that it be assessed at the same percentage of fair market value, unless otherwise provided by the California Constitution or federal law. The California Constitution and existing property tax law provide various exemptions from taxation, including, among others, a disabled veterans' exemption. Under existing law, the disabled veterans' exemption exempts from taxation part of the full value of property that constitutes the principal place of residence of a veteran, the veteran's spouse, or the veteran and veteran's spouse jointly, and the unmarried surviving spouse of a veteran, as provided, if the veteran incurred specified injuries or died while on active duty in military service, as described. Existing law exempts that part of the full value of the residence that does not exceed \$100,000, or \$150,000 if the household income of the claimant does not exceed \$40,000, as adjusted for inflation, as specified. This bill would, until

January 1, 2037, exclude service-connected disability payments from the definition of "household income" for purposes of the disabled veterans' exemption. The bill would also correct an erroneous cross-reference in the above-described provisions. By imposing additional duties on local tax officials, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 03/26/2026 text)

Status: 06/15/2026 - June 15 set for first hearing. Placed on suspense file.

Calendar: *06/29/26 A-REVENUE AND TAXATION SUSPENSE 3:30 p.m. - State Capitol, Room 126 GIPSON, MIKE, Chair*

Location: 06/15/2026 - Assembly REV. & TAX SUSPENSE FILE

Summary: The Personal Income Tax Law, in modified conformity with federal income tax laws, allows various deductions from gross income in calculating adjusted gross income. This bill, for taxable years beginning on or after January 1, 2027, and before January 1, 2032, would allow a deduction in determining adjusted gross income for a taxpayer in an amount equal to \$3,000 per qualified individual, reduced by 6% of the taxpayer's federal adjusted gross income in excess of specified thresholds. The bill would define "qualified individual" for these purposes to mean the taxpayer if the taxpayer is an elderly senior and, in the case of a married couple filing a joint return, the taxpayer's spouse if the taxpayer's spouse is an elderly senior, and would define "elderly senior" to mean an individual who meets specified age criteria as of the last day of the taxable year. This bill contains other related provisions and other existing laws. (Based on 05/14/2026 text)

[SB 1407](#) ([Archuleta, D](#)) Personal Income Tax Law: exclusions: military retirement pay: survivor benefit pay.

Current Text: 05/14/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/20/2026

Last Amended: 05/14/2026

Status: 06/17/2026 - Coauthors revised. From committee: Do pass and re-refer to Com. on REV. & TAX. (Ayes 8. Noes 0.) (June 16). Re-referred to Com. on REV. & TAX.

Calendar: *06/22/26 A-REVENUE AND TAXATION 3:30 p.m. - State Capitol, Room 126 GIPSON, MIKE, Chair*

Location: 06/17/2026 - Assembly Revenue and Taxation

Summary: The Personal Income Tax Law, in conformity with federal income tax laws, defines "gross income" as income from whatever source derived, except as specifically excluded, and provides various exclusions from gross income, including, for taxable years beginning on or after January 1, 2025, and before January 1, 2030, an exclusion from gross income for retirement pay received by a qualified taxpayer, as defined, during the taxable year, not to exceed \$20,000, from the federal government for service performed in the uniformed services, as defined, and an exclusion for income annuity payments received by a qualified taxpayer, as defined, not to exceed \$20,000, pursuant to a United States Department of Defense Survivor Benefit Plan, as specified. Existing law defines "qualified taxpayer" for the purpose of these exclusions to mean taxpayers that satisfy specified income

limitations. This bill would amend the above-described exclusions to annually adjust the income limitations for taxpayers for inflation, as provided, and to increase the limitation on income eligible for exclusion to \$40,000. The bill would also extend the exclusions until taxable years beginning before January 1, 2037. This bill contains other related provisions and other existing laws. (Based on 05/14/2026 text)

MCKINNOR, TINA, Chair

Location: 05/26/2026 - Assembly Public Employment and Retirement

Summary: Existing law, the Public Employees' Retirement Law, permits a member of the Public Employees' Retirement System to elect from among several optional settlements for the purpose of structuring the member's retirement allowance. Existing law requires a member to make an election, revocation, or change of election within 30 calendar days after the making of the first payment on account of any retirement allowance or, in the event of a change of retirement status after retirement, within 30 calendar days after making the first payment on account of that change in retirement status. This bill would extend the timeframe for those actions to within 60 calendar days after making the first payment. This bill contains other related provisions and other existing laws. Current Text: 06/10/2026 - Enrolled [HTML](#) [PDF](#)

Introduced: 04/27/2026

Status: 06/08/2026 - From consent calendar on motion of Senator Becker. Ordered to third reading. Read. Adopted. (Ayes 36. Noes 0.)

Location: 06/08/2026 - Senate ADOPTED

Summary: This measure would resolve that the Senate supports targeting the biological processes of aging as a strategy to prevent or delay the onset of chronic disease. Resolved, That the State of California should invest in research grants, public-private partnerships, and regulatory frameworks that support the development of therapies that slow, prevent, or reverse aspects of biological aging. Resolved, That the State Department of Public Health and California Department of Aging are encouraged to incorporate the science of aging into chronic disease prevention and healthy aging strategies, including education, outreach, and demonstration programs. Resolved, That the Senate encourages collaboration between California's academic research institutions, health plans, and biotechnology firms to pilot innovative aging interventions that improve health span and reduce long-term care costs. [AB 105](#) ([Gabriel, D](#)) Budget Acts of 2021, 2023, 2024, and 2025.

Current Text: 09/08/2025 - Amended [HTML PDF](#)

Introduced: 01/08/2025 (Spot bill)

Last Amended: 09/08/2025

Status: 09/13/2025 - Ordered to inactive file at the request of Senator Grayson.

Location: 09/13/2025 - Senate INACTIVE FILE

Summary: The Budget Acts of 2021, 2023, 2024, and 2025 made appropriations for the support of state government for the 2021–22, 2023–24, 2024–25, and 2025–26 fiscal years, respectively. This bill would amend those budget acts by amending, adding, and repealing items of appropriation and making other changes. This bill would declare that it is to take effect immediately as a Budget Bill. (Based on 09/08/2025 text)

[AB 156](#) ([Committee on Budget](#)) Labor.

Current Text: 09/08/2025 - Amended [HTML PDF](#)

Introduced: 01/08/2025 (Spot bill)

Last Amended: 09/08/2025

Status: 09/13/2025 - Ordered to inactive file at the request of Senator Grayson.

Location: 09/13/2025 - Senate INACTIVE FILE

Summary: Existing law, the Public Employees' Retirement Law (PERL) creates the Public Employees' Retirement System (PERS) for the purpose of providing pensions and benefits to state employees and their beneficiaries and prescribes the rights and duties of employers participating in the system. Under PERL, benefits are funded by investment income and employer and employee contributions, which are deposited into the Public Employees' Retirement Fund, a continuously appropriated trust fund administered by the system's board of administration. PERL prescribes methods for the calculation and payment of the state employer contribution for its employees who are PERS members. PERL provides for an annual adjustment of the state's contribution in the budget and quarterly appropriations to the Public Employees' Retirement Fund from the General Fund and other funds that are responsible for payment of the employer contribution. Existing law makes additional General Fund appropriations to the Public Employees' Retirement Fund for the 2020–21, 2021–22, 2022–23, 2023–24, and 2024–25 fiscal years. Supplemental payments connected with appropriations for those fiscal years are to be apportioned to the state employee member categories generally, as directed by the Department of Finance, and to specified state employee member categories, including to the state miscellaneous member category, the industrial member category, the state safety member category, and the state peace officer/firefighter member category. The California Constitution establishes the Budget Stabilization Account in the General Fund and requires the

Controller, in each fiscal year, to transfer from the General Fund to the Budget Stabilization Account amounts that include a sum equal to 1.5% of the estimated amount of General Fund revenues for that fiscal year. These provisions further require, until the 2029–30 fiscal year, that the Legislature appropriate a percentage of these moneys, the amount of which is generated pursuant to specified calculations, for certain obligations and purposes, including addressing unfunded liabilities for state-level pension plans. This bill would appropriate \$372,000,000 from the General Fund for the purposes identified in the constitutional provisions described above, to supplement the state's appropriation to the Public Employees' Retirement Fund. The bill would specify that this appropriation represents a portion of the amount identified in a specific provision of the Budget Act of 2025. The bill would require the Department of Finance to provide the Controller with a schedule establishing the timing of specific transfers. The bill would require the supplemental payment to the Public Employees' Retirement Fund to be apportioned to specified state employee member categories, not to exceed \$174,523,000 to the state miscellaneous member category, \$10,296,000 to the state industrial member category, \$20,479,000 to the state safety member category, and \$166,702,000 to the state peace officer/firefighter member category. The bill would require the appropriation described above to be applied to the unfunded state liabilities for the state employee member categories that are in excess of the base amounts for the 2025–26 fiscal year. (Based on 09/08/2025 text)

[AB 161](#) ([Committee on Budget](#)) State employment: state bargaining units.

Current Text: 09/08/2025 - Amended [HTML](#) [PDF](#)

Introduced: 01/08/2025 (Spot bill)

Last Amended: 09/08/2025

Status: 09/13/2025 - Ordered to inactive file at the request of Senator Grayson.

Location: 09/13/2025 - Senate INACTIVE FILE

Summary: Existing law provides that a provision of a memorandum of understanding reached between the state employer and a recognized employee organization representing state civil service employees that requires the expenditure of funds does not become effective unless approved by the Legislature in the annual Budget Act. Existing law requires the Department of Human Resources to provide a memorandum of understanding to the Legislative Analyst, who then has 10 calendar days from the date the tentative agreement is received to issue a fiscal analysis to the Legislature. Existing law prohibits the memorandum of understanding from being subject to legislative determination until either the Legislative Analyst has presented a fiscal analysis of the memorandum of understanding or until 10 calendar days have elapsed since the memorandum was received by the Legislative Analyst. This bill, notwithstanding the above-described statutory provisions, would approve provisions of the agreements entered into by the state employer and specified state bargaining units. The bill would provide that the provisions of the agreements that require the expenditure of funds will not take effect unless funds for these provisions are specifically appropriated by the Legislature. The bill would authorize the state employer or the bargaining units to reopen negotiations if funds for these provisions are not specifically appropriated by the Legislature. The bill would require the provisions of the agreement that require the expenditure of funds to become effective even if the provisions are approved by the Legislature in legislation other than the annual Budget Act. By approving provisions of the agreements that require the expenditure of funds, this bill would make an appropriation. (Based on 09/08/2025 text)

Status: 06/23/2025 - In committee: Set, second hearing. Hearing canceled at the request of author. (Set for hearing on 07/01/2026)

Calendar: 07/01/26 S-HEALTH 1:30 p.m. - 1021 O Street, Room 1200 WEBER PIERSON, M.D., AKILAH, Chair

Location: 06/12/2026 - Senate Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law provides that a health care service plan or a health insurer that authorizes a specific type of treatment by a health care provider shall not rescind or modify this authorization after the provider renders the health care service in good faith and pursuant to the authorization. This bill would require a prior authorization for a health care service by a health care service plan or a health insurer to remain valid for a period of at least one year from the date of approval, or throughout the course of prescribed treatment, if less than one year. Because a violation of the bill by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 04/28/2025 text)

[AB 787](#) (Papan, D) Provider directory disclosures.

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 7/7/2025)(May be acted upon Jan 2026)

Location: 08/29/2025 - Senate 2 YEAR

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires specified health care service plans and health insurers to publish and maintain a provider directory or directories with information on contracting providers that deliver health care services to enrollees or insureds, and requires a health care service plan or health insurer to regularly update its printed and online provider directory or directories, as specified. Existing law requires provider directories to include specified information and disclosures. This bill would require a full service health care service plan, specialized mental health or dental plan, health insurer, or specialized mental health or dental insurer to include in its provider directory or directories a statement advising an enrollee or insured to contact the plan or insurer for assistance finding an in-network provider and for an explanation of their rights regarding out-of-network coverage, and would specify the format of the statement. The bill would require the plan or insurer to acknowledge the request within one business day if contacted for that assistance, and to provide a list of in-network providers confirmed to be accepting new patients within 2 business days for a request deemed urgent by the enrollee or insured and 5 business days for a request deemed nonurgent by an enrollee or insured. Because a violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 06/23/2025 text)

[AB 871](#) (Stefani, D) Mandated reporters of suspected financial abuse of an elder or dependent adult.

Current Text: 01/16/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/19/2025

Last Amended: 01/16/2026

Status: 06/18/2026 - From committee: Amend, and do pass as amended and re-refer to Com. on JUD. (Ayes 7. Noes 0.) (June 17).

Calendar: *06/22/26 #1 S-ASSEMBLY BILLS - SECOND READING FILE*
06/30/26 S-JUDICIARY 9:30 a.m. - 1021 O Street, Room 2100 UMBERG, THOMAS, Chair

Location: 06/17/2026 - Senate Judiciary

Summary: Existing law, the Elder Abuse and Dependent Adult Civil Protection Act, establishes procedures for the reporting, investigation, and prosecution of elder and dependent adult abuse. Existing law requires a mandated reporter of suspected financial abuse of an elder or dependent adult, as defined, to report financial abuse in a specified manner, including by telephone or through a confidential internet reporting tool, as specified, immediately, or as soon as practicably possible. If reported by telephone, existing law requires a written report to be sent, or an internet report to be made through the internet reporting tool, to the local adult protective services agency or the local law enforcement agency within 2 working days. Existing law deems specified persons to be mandated reporters of suspected financial abuse of an elder or dependent adult, including, among others, all officers and employees of a financial institution. A mandated reporter who fails to report financial abuse of an elder or dependent adult is liable for civil penalties, as specified. If a report of financial abuse is made by a mandated reporter, as described above, this bill would also require a report to be made to the Federal Bureau of Investigation Internet Crime Complaint Center within 2 working days. The bill would require a financial institution to provide annual training to its mandated reporters on how to escalate internally and report suspected financial abuse of an elder or a dependent adult to both local and federal authorities, as specified. If suspected financial abuse of an elder or dependent adult is discovered within 48 hours of a transaction, the bill would require a financial institution to share information on reporting mechanisms, as specified, with the impacted elder or dependent adult within 24 to 48 hours. The bill would specify that violations of these provisions would not incur the above-described liability for civil penalties. (Based on 01/16/2026 text)

AB 910 **(Bonta, D) Criminal procedure: sentencing.**

Current Text: 06/15/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/19/2025

Last Amended: 06/15/2026

Status: 06/15/2026 - From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on HEALTH. Withdrawn from committee. Re-referred to Com. on RLS.

Location: 06/15/2026 - Senate Rules

Summary: Existing law allows a person who was arrested or convicted of a nonviolent offense while they were a victim of human trafficking, intimate partner violence, or sexual violence, to petition the court, under penalty of perjury, for vacatur relief. Existing law requires, to receive that relief, that the crime for which the person was arrested or convicted was a nonviolent offense and that the person establish, by clear and convincing evidence, that the arrest or conviction was the direct result of being a victim of human trafficking, intimate partner violence, or sexual violence. Existing law authorizes the court to vacate the conviction if it concludes that the petitioner was a victim of one of those crimes at the time of the alleged commission of the offense, the arrest was a direct result of being a victim of that offense, and the vacatur is in the best interest of justice. This bill would allow that relief for a person arrested or convicted of any offense, except murder, as specified. Because this bill would authorize more petitions to be filed under penalty of perjury, by expanding the scope of the crime of perjury, this bill would impose a state-mandated local program. (Based on 06/15/2026 text)

AB 1054 **(Gipson, D) Public employees' retirement: deferred retirement option program.**

Current Text: 01/05/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/20/2025

Last Amended: 01/05/2026

Status: 05/06/2026 - Referred to Com. on L., P.E. & R.

Calendar: *06/24/26 S-LABOR, PUBLIC EMPLOYMENT AND RETIREMENT SPECIAL ORDER OF BILLS 9:30 a.m. - 1021 O Street, Room 2200 SMALLWOOD-CUEVAS, LOLA, Chair*

Location: 05/06/2026 - Senate Labor, Public Employment and Retirement

Summary: Existing law, the County Employees Retirement Law of 1937, prescribes retirement benefits for members of specified county and district retirement systems. Existing law establishes the Deferred Retirement Option Program as an optional benefit program for specified safety members of those systems that, by ordinance or resolution by the county board of supervisors or the governing body, elect to adopt it. The program provides eligible members access, upon service retirement, to a lump sum or, in some cases, monthly payments in addition to a monthly retirement allowance, as specified. This bill would establish the Deferred Retirement Option Program as a voluntary program within the Public Employees' Retirement System (PERS) for employees of State Bargaining Units 5 (Highway Patrol) and 8 (Firefighters). The bill would require certain actions to occur, including completion of an actuarial analysis to determine the proposed program will be cost neutral, before the program becomes effective and applicable. The bill would require members who elect to participate in the program to meet certain requirements, including waiving any claims with respect to age and other discrimination in employment laws relative to the program. The bill would establish a program account for each participant and would require the Board of Administration of the Public Employees' Retirement System to, among other things and at least once annually, provide a statement to the participant that displays the value or balance of the participant's program account. The bill would authorize the participant to designate a person or persons as beneficiaries of the participant's program account at any time during the program period from their election date to the deferred retirement calculation date. Beginning on July 1, 2027, and on that date every 5 consecutive fiscal years thereafter, the bill would require the Board of Administration of the Public Employees' Retirement System to submit a report of an actuarial analysis to specified entities. The bill would entitle participants who entered the program prior to the effective date of any modifications by the Legislature to elect whether to become subject to those modified provisions or to remain subject to the program as it existed on the participant's election date. The bill would require the member's spouse, as applicable, to execute a signed statement acknowledging the spouse's understanding of, and agreement with, the member's election to participate in the program together with an express statement of the spouse's understanding and agreement that benefits payable to the spouse may be reduced as a result of participation in the program. This bill contains other existing laws. (Based on 01/05/2026 text)

[AB 1068](#) ([Bains, D](#)) Emergency services available during natural disasters.

Current Text: 07/01/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/20/2025

Last Amended: 07/01/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 08/29/2025 - Senate 2 YEAR

Summary: Existing law, the Mello-Granlund Older Californians Act, establishes, among others, the California Department of Aging in the California Health and Human Services Agency, also known as CalHHS and headed by the Secretary of CalHHS, and sets forth its mission to provide leadership to the area agencies on aging in developing systems of home- and community-based services that maintain individuals in their own homes or least restrictive homelike environments. Existing law provides for the licensure and regulation of long-term health care facilities, including skilled nursing facilities and intermediate care facilities, by the State Department of Public Health. Existing law requires, among other things, the department to administer the Aging and Disability Resource Connection (ADRC) program. No later than July 1, 2026, this bill would require the Secretary of CalHHS, in coordination with various state departments, offices, and other entities, as specified, to develop a working group to make recommendations regarding the evacuation and sheltering needs of older adults and persons with disabilities living in long-term care facilities during natural, technological, or manmade disasters and emergencies. The bill would require the Secretary of CalHHS to submit the recommendations no later than July 1, 2027, and would repeal that requirement on January 1, 2030. (Based on 07/01/2025 text)

[AB 1439](#) ([Garcia, D](#)) Public retirement systems: development projects: labor standards.

Current Text: 06/11/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 06/11/2026

Status: 06/11/2026 - Read second time and amended. Re-referred to Com. on APPR.

Calendar: 06/22/26 S-APPROPRIATIONS 10 a.m. - 1021 O Street, Room 2200 CERVANTES, SABRINA, Chair

Location: 06/10/2026 - Senate Appropriations

Summary: The California Constitution grants the retirement board of a public employee retirement system plenary authority and fiduciary responsibility for investment of moneys and administration of the retirement fund and system. These provisions qualify this grant of powers by reserving to the Legislature the authority to prohibit investments if it is in the public interest and the prohibition satisfies standards of fiduciary care and loyalty required of a retirement board. Existing law prohibits the boards of the Public Employees' Retirement System (PERS) and the State Teachers' Retirement System (STRS) from making certain new investments or renewing existing investments of public employee retirement funds, including in a thermal coal company, as defined. Existing law provides that a board is not required to take any action regarding those investments unless the board determines in good faith that the action is consistent with the board's fiduciary responsibilities established in the California Constitution. This bill would request the University of California, Berkeley, Labor Center to conduct an independent study to analyze the extent of labor standards protections in California real estate and infrastructure development projects funded through the real asset portfolios of PERS and STRS. The bill would request that the study and a report of its findings be completed and provided to the Legislature and the Department of Finance by January 1, 2028, as specified. (Based on 06/11/2026 text)

[AB 1563](#) (Gabriel, D) Budget Act of 2026.

Introduced: 01/09/2026

Status: 04/06/2026 - Referred to Com. on BUDGET.

Location: 04/06/2026 - Assembly Budget

Summary: This bill would make appropriations for the support of state government for the 2026–27 fiscal year. This bill contains other related provisions. (Based on 01/09/2026 text)

[AB 1629](#) (Haney, D) Dental coverage.

Current Text: 06/03/2026 - Amended [HTML](#) [PDF](#)

Introduced: 01/26/2026

Last Amended: 06/03/2026

Status: 06/10/2026 - Re-referred to Coms. on HEALTH and B. P. & E.D.

Calendar: 06/24/26 S-HEALTH 1:30 p.m. - 1021 O Street, Room 1200 WEBER PIERSON, M.D., AKILAH, Chair

Location: 06/10/2026 - Senate Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act's requirements a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law prohibits a contract between a plan or insurer and a dentist from requiring a dentist to accept an amount set by the plan or insurer as payment for dental care services provided to an enrollee or insured that are not covered services under the enrollee's contract or the insured's policy. Existing law requires a plan or insurer to make specified disclosures to an enrollee or insured regarding noncovered dental services. Existing law requires a health care service plan or health insurer to comply with specified timely access requirements. Under existing law, a health care service plan is required to annually report to the Department of Managed Health Care on this compliance. Existing law authorizes the Department of Insurance to issue guidance to insurers regarding annual timely access and network reporting methodologies. If a health care service plan or health insurer pays a contracting dental provider directly for covered services, this bill would require the plan or insurer to pay a noncontracting dental provider directly for covered services if the noncontracting provider submits to the plan or insurer a written assignment of benefits form signed by the enrollee or insured. The bill would require the plan or insurer to provide a predetermination or prior authorization to the dental provider and to reimburse the provider for not less than that amount, except as specified. The bill would require the plan or insurer to notify the enrollee or insured that the provider was paid and that the out-of-network cost may count towards their annual or lifetime maximum. The bill would require a noncontracting dental provider to make specified disclosures to an enrollee or insured before accepting an assignment of benefits. Because a willful violation of these provisions relative to health care service plans would be a crime, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 06/03/2026 text)

[AB 1770](#) ([Garcia, D](#)) **Arbitration: health care service plans.**

Current Text: 04/13/2026 - Amended [HTML](#) [PDF](#)

Last Amended: 04/13/2026

Status: 06/10/2026 - Referred to Coms. on JUD. and HEALTH.

Calendar: 06/23/26 S-JUDICIARY 9:30 a.m. - 1021 O Street, Room 2100 UMBERG, THOMAS, Chair

Location: 06/10/2026 - Senate Judiciary

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care. Existing law provides that a willful violation of provisions regulating health care service plans is a crime. Existing law requires a health care service plan contract that includes terms requiring binding arbitration for dispute settlement to provide a specified disclosure to subscribers or enrollees. Existing law, the California Arbitration Act, provides a statutory framework for the enforcement of contractual arbitration under California law. Existing law establishes standards for arbitration, and requires a court to vacate an arbitration award if it makes certain findings. This bill would require the Attorney General to oversee compliance by health care service plans with specified provisions regulating the use of binding arbitration to settle disputes. The bill would authorize the Attorney General to require reports from health care service plans for these purposes. (Based on 04/13/2026 text)

[AB 1773](#) ([Rubio, Blanca, D](#)) **Pharmacy benefit managers.**

Current Text: 03/16/2026 - Amended [HTML](#) [PDF](#)

Status: 05/13/2026 - Referred to Com. on HEALTH.

Calendar: 07/01/26 S-HEALTH 1:30 p.m. - 1021 O Street, Room 1200 WEBER PIERSON, M.D., AKILAH, Chair

Location: 05/13/2026 - Senate Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a pharmacy benefit manager contracting with a health care service plan or health insurer to secure a license from the Department of Managed Health Care on or after January 1, 2027, or the date on which the department has established the licensure process, whichever is later. This bill would require the department to maintain a public internet website displaying specified information for each licensed pharmacy benefit manager, including, among other things, the legal name, license number, and license expiration date. (Based on 03/16/2026 text)

[AB 1887](#) ([Zbur, D](#)) **Prescription drug coverage for rare diseases.**

Status: 06/10/2026 - Referred to Com. on HEALTH.

Calendar: 07/01/26 S-HEALTH 1:30 p.m. - 1021 O Street, Room 1200 WEBER PIERSON, M.D., AKILAH, Chair

Location: 06/10/2026 - Senate Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law sets forth specified prior authorization and step therapy limitations for health care service plans and health insurers. This bill would require a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2027, to require a health care service plan or health insurer to complete prior authorization or other utilization review within 30 days upon initial request, as specified, for a drug

approved for the treatment of a rare disease if the drug is prescribed by a specialist with expertise in the condition or disease being treated and the specialist has determined the drug is medically necessary, unless a biosimilar, interchangeable biologic, or generic version of the drug is available. The bill would prohibit a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2027, from imposing step therapy for these drugs. Because a willful violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 05/20/2026 text)

[AB 1929](#) ([Ortega, D](#)) Health care coverage: investments: disclosure.

Calendar: 06/24/26 S-HEALTH 1:30 p.m. - 1021 O Street, Room 1200 WEBER PIERSON, M.D., AKILAH, Chair
06/30/26 S-JUDICIARY 9:30 a.m. - 1021 O Street, Room 2100 UMBERG, THOMAS, Chair

Location: 06/10/2026 - Senate Health

Summary: Existing federal law, the Patient Protection and Affordable Care Act (PPACA), requires each state to establish an American Health Benefit Exchange to facilitate the purchase of qualified health benefit plans by qualified individuals and qualified small employers. Existing state law creates the California Health Benefit Exchange, also known as Covered California, to facilitate the enrollment of qualified individuals and qualified small employers in qualified health plans offered by participating carriers as required under PPACA. This bill would require a carrier participating in the Exchange to annually disclose its material investment holdings to the Exchange on or before July 1 of each year, unless otherwise specified by regulation, beginning on July 1, 2027. The bill would require the Exchange to prominently display, and make accessible to the public, those disclosures on its internet website. If a carrier fails to comply with the disclosure requirements, the bill would require the Exchange to assess an administrative penalty against the carrier, as specified. The bill would require the Exchange to prominently post the carrier's noncompliance status on its internet website until compliance is achieved. (Based on 06/15/2026 text)

[AB 1979](#) ([Bonta, D](#)) Health care services: artificial intelligence.

Location: 06/16/2026 - Senate Health

Summary: The Confidentiality of Medical Information Act (CMIA) prohibits a provider of health care, a health care service plan, a contractor, or a corporation and its subsidiaries and affiliates from intentionally sharing, selling, using for marketing, or otherwise using any medical information, as defined, for any purpose not necessary to provide health care services to a patient, except as provided. Existing law deems a business that offers a mental health digital service or reproductive or sexual health digital service to a consumer for the purpose of allowing the individual to manage the individual's information, or for the diagnosis, treatment, or management of a medical condition of the individual, to be a provider of health care subject to the requirements of the CMIA. The bill would additionally deem a business that offers a health care chatbot, as defined, to a consumer for the above-described purposes to be a provider of health care subject to the requirements of the CMIA. This bill contains other related provisions and other existing laws. (Based on 06/17/2026 text)

Location: 06/10/2026 - Senate Military and Veterans Affairs

Summary: The California Constitution provides that all property is taxable and requires that it be assessed at the same percentage of fair market value, unless otherwise provided by the California Constitution or federal law. The California Constitution and existing property tax law provide various exemptions from taxation, including, among others, a disabled veterans' exemption and a veterans' organization exemption. This bill would exempt from taxation, as provided, 50% of the full value of the property owned by, and that constitutes the principal place of residence of, a veteran, the veteran's spouse, or the veteran and the veteran's spouse jointly, if the veteran is 100% disabled. The bill would provide an unmarried surviving spouse a property exemption in the same amount that they would have been entitled to if the veteran were alive and if certain conditions are met. In the case of a disabled veteran or unmarried surviving spouse whose household income does not exceed a specified amount for the relevant assessment year, as prescribed, the bill would exempt 100% of the full value of the property from taxation. The bill would require certain documentation to be provided to the county assessor to receive the exemption and would prohibit any other real property tax exemption from being granted to the claimant if receiving the exemption provided by the provisions of this bill. The bill would make these exemptions applicable for property tax lien dates occurring on or after January 1, 2027, but occurring before January 1, 2032. By imposing additional duties on local tax officials, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 06/04/2026 text)

Calendar: *06/24/26 S-LABOR, PUBLIC EMPLOYMENT AND RETIREMENT 9:30 a.m. - 1021 O Street, Room 2200 SMALLWOOD-CUEVAS, LOLA, Chair*

Location: 06/18/2026 - Senate Labor, Public Employment and Retirement

Summary: Existing law provides for the licensure and regulation of health facilities and clinics by the State Department of Public Health. Existing law generally makes a violation of these provisions a crime. Existing law, the Medical Practice Act, establishes the Medical Board of California for the licensing, regulation, and discipline of

physicians and surgeons. Existing law requires a health facility, clinic, physician's office, or office of a group practice that uses generative artificial intelligence to generate written or verbal patient communications pertaining to patient clinical information, as defined, to ensure that those communications include both a disclaimer that indicates to the patient that a communication was generated by generative artificial intelligence, as specified, and clear instructions describing how a patient may contact a human health care provider, employee, or other appropriate person. This bill would require a health facility, clinic, physician's office, or office of a group practice that uses or deploys a clinical decision support system, as defined, for patient care, on or before July 1, 2027, to make available, upon request from a licensed health care professional or other person using a clinical decision support system or viewing outputs from a clinical decision support system, an inventory of all clinical decision support systems currently in use or deployed for patient care. The bill would require a health facility, clinic, physician's office, or office of a group practice that uses a clinical decision support system for patient care to make specified information about the clinical decision support system upon request from a licensed health care professional or other person using a clinical decision support system or viewing outputs from a clinic decision support system, including, among other things, a summary of how the clinical decision support system generates outputs. The bill would also require a health facility, clinic, physician's office, or office of a group practice subject to these provisions to notify a licensed health care professional or other person whose duties include using a clinical decision support system or viewing outputs from a clinical decision support system upon being hired and annually of their right to request the above-described information. By placing new requirements on health facilities and clinics, this bill would expand the scope of a crime and would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 06/18/2026 text)

[AB 2613](#) (Sharp-Collins, D) Health care service plans: provider contract termination: notice.

Location: 06/03/2026 - Senate Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act's requirements a crime. Existing law requires a health care service plan to notify an enrollee by United States mail at least 60 days before the termination date of a contract between a health care service plan and a provider group or a general acute care hospital to which the enrollee is assigned. If the plan reaches an agreement with a terminated provider after sending that notice, existing law requires the plan to offer each affected enrollee the option to return to that provider and to reassign the enrollee to another provider if the enrollee does not exercise that option. This bill would additionally require a health care service plan to notify an enrollee by email or text message, as specified, at least 60 days before the termination date of a contract between a health care service plan and a provider group or a general acute care hospital to which the enrollee is assigned. If the plan reaches an agreement with a terminated provider after sending the notice of termination, the bill would require the health care service plan to send written notice by United States mail and by email or text message, as specified, to affected enrollees within 60 days of reaching the agreement. Because a willful violation of these provisions would be a crime, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. Location: 06/11/2026 - Senate Appropriations

Summary: Existing law makes it a misdemeanor for any person to engage in the noncommercial canning of salmon, or in the commercial canning of any fish or fish product, meat or meat product, or any other food product for the use of man or animal, the sterilization of which in the opinion of the State Department of Public Health requires the use of a pressure cooker or a retort, without first obtaining a license from the department. Existing law requires the department to issue an annual license to any person on the receipt of a specified fee and evidence showing the applicant is in compliance with the department's sanitary requirements. Existing law establishes the Cannery Inspection Board to estimate specified costs for inspection and laboratory control. Existing law establishes the Cannery Inspection Fund for the receipt of moneys received pursuant to these provisions. This bill would repeal these provisions. The bill would make related conforming changes. This bill contains other related provisions and other existing laws. (Based on 06/04/2026 text)

[SB 363](#) ([Wiener, D](#)) Health care coverage: independent medical review.

Current Text: 07/17/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/13/2025

Last Amended: 07/17/2025

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/20/2025)(May be acted upon Jan 2026)

Location: 08/29/2025 - Assembly 2 YEAR

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law establishes the Independent Medical Review System within each department, under which an enrollee or insured may seek review if a health care service has been denied, modified, or delayed by a health care service plan or health insurer and the enrollee or insured has previously filed a grievance that remains unresolved after 30 days. This bill would require a health care service plan or health insurer to annually report to the appropriate department the total number of claims processed by the health care service plan or health insurer for the prior year and its number of treatment denials or modifications, separated and disaggregated as specified, commencing on or before June 1, 2026. The bill would require the departments to compare the number of a health care service plan's or health insurer's treatment denials and modifications to (1) the number of successful independent medical review overturns of the plan's or insurer's treatment denials or modifications and (2) the number of treatment denials or modifications reversed by a plan or insurer after an independent medical review for the denial or modification is requested, filed, or applied for. For a health care service plan or health insurer with 10 or more independent medical reviews in a given year, the bill would make the health care service plan or health insurer liable for an administrative penalty, as specified, if more than 50% of the independent medical reviews filed with a health care service plan or health insurer result in an overturning or reversal of a treatment denial or modification in any one individual category of specified general types of care. The bill would make a health care service plan or health insurer liable for additional administrative penalties for each independent medical review resulting in an additional overturned or reversed denial or modification in excess of that threshold. The bill would require the departments to annually include data, analysis, and conclusions relating to these provisions in specified reports. This bill contains other related provisions and other existing laws. (Based on 07/17/2025 text)

[SB 401](#) ([Hurtado, D](#)) Political Reform Act of 1974: filing deadlines: emergency situations.

Current Text: 06/01/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/14/2025 (Spot bill)

Last Amended: 06/01/2026

Status: 06/17/2026 - From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 7. Noes 0.) (June 17). Re-referred to Com. on APPR.

Location: 06/17/2026 - Assembly Appropriations

Summary: Under the Political Reform Act of 1974, various individuals and entities, including candidates, committees that support candidates and ballot measures, lobbyists, slate mailer organizations, and public officials, are required to periodically file certain statements and reports that disclose their financial activities. When an original statement or report is filed after the deadline for its filing under the act, the person responsible for making the filing is subject to a late filing penalty of \$10 per day, as specified, in addition to any other penalties or remedies under the act. This bill would authorize the Fair Political Practices Commission to extend any filing deadline established by the act, by no more than 60 days, for individuals that live in an area impacted by an emergency situation if the emergency situation is reasonably likely to affect the individual's ability to timely file. The bill would prohibit the commission from extending a deadline under these provisions during the 90 days before an election. The bill would define emergency situation to mean an emergency proclaimed by the Governor

or a local governing body pursuant to a specified law. This bill contains other related provisions and other existing laws. (Based on 06/01/2026 text)

[SB 503](#) ([Weber Pierson, D](#)) Health care services: artificial intelligence.

Current Text: 09/04/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/19/2025 (Spot bill)

Last Amended: 09/04/2025

Status: 09/11/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/10/2025)(May be acted upon Jan 2026)

Location: 09/11/2025 - Assembly 2 YEAR

Summary: Existing law provides for the licensure and regulation of health facilities and clinics by the State Department of Public Health. Existing law requires a health facility, clinic, physician's office, or office of a group practice that uses generative artificial intelligence to generate written or verbal patient communications pertaining to patient clinical information, as defined, to ensure that those communications include both (1) a disclaimer that indicates to the patient that a communication was generated by generative artificial intelligence, as specified, and (2) clear instructions describing how a patient may contact a human health care provider, employee, or other appropriate person. Existing law exempts from this requirement a communication read and reviewed by a human licensed or certified health care provider. This bill would require developers and deployers of artificial intelligence systems to make reasonable efforts to identify artificial intelligence systems used to support clinical decisionmaking or health care resource allocation that are known or have a reasonably foreseeable risk for biased impacts in the system's outputs resulting from use of the system in health programs or activities. The bill would require developers and deployers to make reasonable efforts to mitigate the risk for biased impacts in the system's outputs resulting from use of the system in health programs or activities. The bill would require deployers to regularly monitor these artificial intelligence systems and take reasonable and proportionate steps to mitigate any bias that may occur. The bill would specify that a person, partnership, state or local governmental agency, or corporation may be both a developer and a deployer. The bill would specify that the department is not required to independently inspect, test, or evaluate the functionality of an artificial intelligence system. The bill would require, beginning January 1, 2027, developers to provide a report identifying compliance efforts with the above-described provisions to the department before making an artificial intelligence system commercially or publicly available to a deployer, as specified. The bill would require deployers, beginning January 1, 2027, to annually provide the department with a report identifying their efforts to comply with identification, mitigation, and monitoring requirements established pursuant to these provisions. The bill would require the department to make these reports available on its internet website. This bill contains other existing laws. (Based on 09/04/2025 text)

[SB 879](#) ([Laird, D](#)) Budget Act of 2026.

Current Text: 01/09/2026 - Introduced [HTML](#) [PDF](#)

Introduced: 01/09/2026

Status: 01/12/2026 - Read first time.

Location: 01/09/2026 - Senate Budget and Fiscal Review

Summary: This bill would make appropriations for the support of state government for the 2026–27 fiscal year. This bill contains other related provisions. (Based on 01/09/2026 text)

[SB 895](#) ([Wiener, D](#)) California Science and Health Research Bond Act.

Current Text: 05/14/2026 - Amended [HTML](#) [PDF](#)

Introduced: 01/15/2026

Last Amended: 05/14/2026

Status: 06/10/2026 - Coauthors revised. From committee: Do pass and re-refer to Com. on APPR. (Ayes 11. Noes 2.) (June 9). Re-referred to Com. on APPR.

Calendar: *06/24/26 A-APPROPRIATIONS 9 a.m. - 1021 O Street, Room 1100 WICKS, BUFFY, Chair*

Location: 06/09/2026 - Assembly Appropriations

Summary: Existing law establishes various grant and loan programs for research, including, among others, the California Institute for Regenerative Medicine, California Firefighter Cancer Prevention and Research Program, and the Public Interest Research, Development, and Demonstration Program. This bill would establish the California Foundation for Science and Health Research within the Government Operations Agency. The bill would require the Secretary of Government Operations to oversee the process of appointing the director of the foundation, and would authorize the Secretary of Government Operations to delegate the task of hiring and determining the salaries, bonuses, and benefits of additional personnel to the director, as specified. The bill would require the director and personnel of the foundation to be responsible for implementing the strategic objectives of the California Foundation for Science and Health Research Council, as described below, administering grants and loans awarded by the council, and all other duties as deemed necessary for the operation of the foundation. This bill would create the California Foundation for Science and Health Research Fund and require the moneys in the fund to be used by the foundation to award grants and make loans to public or private research companies, universities, institutes, and organizations for scientific research and development, in specific areas of research, including, but not limited to, biomedical, behavioral health, and climate research. The bill would also create the California Foundation for Science and Health Research Benefit Fund, to consist solely of private donations. The bill would make the moneys in the benefit fund available for the same purposes as the California Foundation for Science and Health Research Fund. This bill would create the California Foundation for Science and Health Research Council, as specified. This bill contains other related provisions and other existing laws. (Based on 05/14/2026 text)

[SB 950](#) ([Weber Pierson, D](#)) Health care coverage: dementia.

Current Text: 04/20/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/02/2026

Last Amended: 04/20/2026

Status: 05/26/2026 - Referred to Com. on HEALTH.

Calendar: *06/30/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair*

Location: 05/26/2026 - Assembly Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act's requirements a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law prohibits specified health care service plan contracts and disability insurance policies from excluding persons covered by the plan from receiving benefits if they are diagnosed as having any significant destruction of brain tissue with resultant loss of brain function, including Alzheimer's disease. This bill would require a health care service plan contract or health insurance policy that is issued, amended, or renewed on or after January 1, 2027, to include coverage for all medically necessary treatments or medications, as determined by a health care provider, approved by the United States Food and Drug Administration (FDA) for the treatment of Alzheimer's disease or other related dementia. Under the bill, contracts and policies would not be required to cover drugs or treatments that are pharmaceutically equivalent drug products if the FDA approves more than one. On and after January 1, 2027, the bill would prohibit a health care service plan or health insurer from imposing step therapy protocols as a prerequisite to authorizing that coverage, except as provided. Because a willful violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 04/20/2026 text)

[SB 964](#) ([Smallwood-Cuevas, D](#)) Prescription drug coverage: dose adjustments.

Current Text: 05/14/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/03/2026

Last Amended: 05/14/2026

Status: 06/10/2026 - From committee: Do pass and re-refer to Com. on APPR. (Ayes 15. Noes 0.) (June 9). Re-referred to Com. on APPR.

Calendar: *06/24/26 A-APPROPRIATIONS 9 a.m. - 1021 O Street, Room 1100 WICKS, BUFFY, Chair*

Location: 06/09/2026 - Assembly Appropriations

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law generally authorizes a health care service plan or health insurer to use utilization review, under which a licensed physician or a licensed health care professional who is competent to evaluate specific clinical issues may approve, modify, delay, or deny requests for health care services based on medical necessity. Existing law also prohibits a health care service plan that covers prescription drug benefits from limiting or excluding coverage for a drug that was previously approved for coverage if an enrollee continues to be prescribed that drug, as specified. This bill would authorize an enrollee's or insured's treating provider to request, and would require that they be granted, the authority to adjust the dose or frequency of a drug to meet the specific medical needs of the enrollee or insured without prior authorization if specified conditions are met. Because a willful violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 05/14/2026 text)

[SB 971](#) ([Choi, R](#)) **Healthy Aging Community Partnerships Program.**

Current Text: 04/09/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/04/2026

Last Amended: 04/09/2026

Status: 06/01/2026 - Referred to Coms. on AGING & L.T.C and HEALTH.

Calendar: 06/23/26 A-AGING AND LONG TERM CARE 3 p.m. - State Capitol, Room 444 AHRENS, PATRICK, Chair

Location: 06/01/2026 - Assembly Aging and Long Term Care

Summary: Existing law establishes various programs and services for older adults, as defined, including, among other things, the Adult Education Program under the administration of the Chancellor of the California Community Colleges and the Superintendent of Public Instruction, and health promotion and preventative health services for older adults under the administration of the State Department of Public Health. This bill would establish the Health Aging Community Partnerships Program to authorize a local health department, area agency on aging, local school district, or other appropriate county department, as determined by a county, to establish community-based programs for older adults designed to promote healthy aging, social engagement, and independent living in collaboration with relevant local entities, including school districts, libraries, faith institutions, and community organizations. The bill would authorize program activities to include, among other things, technology assistance, physical activity, and other community-based enrichment activities that support healthy aging and social connection. The bill would make implementation of these provisions subject to the availability of local resources and partnerships. (Based on 04/09/2026 text)

[SB 1037](#) ([Weber Pierson, D](#)) **Health care coverage: rate review.**

Current Text: 05/14/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/11/2026

Last Amended: 05/14/2026

Status: 06/04/2026 - Referred to Com. on HEALTH.

Calendar: 06/30/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair

Location: 06/04/2026 - Assembly Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a violation of the act by a health care service plan a misdemeanor. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law defines "unreasonable rate increase," for these purposes, to have the same meaning as in the federal Patient Protection and Affordable Care Act, which is that an unreasonable rate increase exists when the federal Centers for Medicare and Medicaid Services makes a determination that a rate increase is excessive, unjustified, or unfairly discriminatory, among other things. This bill would instead define "unreasonable rate increase," for the above-described purposes, to mean a rate increase that the Director of the Department of Managed Health Care or the Insurance Commissioner, as applicable, determines is excessive, unjustified, unfairly discriminatory, or otherwise unreasonable. This bill contains other related provisions and other existing laws. (Based on 05/14/2026 text)

[SB 1049](#) ([Weber Pierson, D](#)) Health care claims reimbursement.

Current Text: 04/06/2026 - Amended [HTML PDF](#)

Introduced: 02/12/2026

Last Amended: 04/06/2026

Status: 05/26/2026 - Referred to Com. on HEALTH.

Calendar: 06/23/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair

Location: 05/26/2026 - Assembly Health

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a health care service plan or health insurer to reimburse a complete claim or a portion thereof within 30 calendar days after receipt of the claim, or, if a claim or portion thereof does not meet the criteria for completeness, to notify the claimant no later than 30 calendar days after receipt that the claim or portion thereof is contested or denied. This bill would grant a provider 90 days to submit a corrected claim after a health care service plan or health insurer denies a claim or sends a notice of overpayment for a claim based a defect that may be remedied by submitting a corrected claim. The bill would prohibit a plan or insurer from denying a corrected claim on the grounds that the provider did not submit the claim within another applicable claim filing deadline. Because a willful violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. (Based on 04/06/2026 text)

[SB 1088](#) ([Blakespear, D](#)) Health care decisions: life-sustaining treatment.

Current Text: 06/18/2026 - Amended [HTML PDF](#)

Introduced: 02/13/2026

Last Amended: 06/18/2026

Status: 06/18/2026 - Read second time and amended. Re-referred to Com. on JUD.

Calendar: 06/23/26 A-JUDICIARY 9 a.m. - State Capitol, Room 437 KALRA, ASH, Chair

Location: 06/16/2026 - Assembly Judiciary

Summary: Existing law defines a request regarding resuscitative measures to mean a written document, signed by an individual with capacity or legally recognized health care decisionmaker and the individual's physician that directs a health care provider regarding resuscitative measures, as prescribed. Existing law includes a prehospital "do not resuscitate" form, as developed by the Emergency Medical Services Authority or other substantially similar form, and Physician Orders for Life Sustaining Treatment form (POLST form), as approved by the Emergency Medical Services Authority as requests regarding resuscitative measures. This bill would replace the term "Physician Orders for Life Sustaining Treatment" with "POLST," or "Portable Orders Listing Scope of Treatment." The bill would authorize a request regarding resuscitative measures to be entered into by an individual with capacity or a health care agent, conservator with health care decisionmaking authority, or surrogate, as defined, and a physician, nurse practitioner, or physician assistant, as specified. The bill would specify that a request regarding resuscitative measures is entirely voluntary and the provision of care or admission to a facility cannot be conditioned on completion of or refusal to complete a POLST or prehospital "do not resuscitate" order. This bill contains other related provisions and other existing laws. (Based on 06/18/2026 text)

[SB 1089](#) ([Richardson, D](#)) Preventive Treatment Health Care Act.

Current Text: 06/18/2026 - Amended [HTML PDF](#)

Introduced: 02/13/2026

Last Amended: 06/18/2026

Status: 06/18/2026 - Read second time and amended. Re-referred to Com. on P. E. & R.

Location: 06/16/2026 - Assembly Public Employment and Retirement

Summary: Existing law requires the California Health and Human Services Agency (CHHSA) to enter into partnerships resulting in the production of generic prescription drugs, including at least one form of insulin made available at production and dispensing costs, if one does not already exist in the market. Existing law additionally authorizes CHHSA to enter into partnerships to increase competition, lower prices, and address supply shortages for generic or brand name drugs to address emerging health concerns. This bill, the Preventive Treatment Health Care Act, would specify that the above-described authorized partnerships include those for at least one glucagon-like peptide-1 (GLP-1) approved by the United States Food and Drug Administration (FDA). (Based on 06/18/2026 text)

[SB 1096](#) ([Dahle, R](#)) **Personal income tax: senior tax credit: dependents: qualifying child.**

Introduced: 02/13/2026

Last Amended: 06/03/2026

Status: 06/10/2026 - From committee: Do pass and re-refer to Com. on APPR. (Ayes 5. Noes 0.) (June 10). Re-referred to Com. on APPR.

Calendar: *06/29/26 S-APPROPRIATIONS 10 a.m. - 1021 O Street, Room 2200 CERVANTES, SABRINA, Chair*

Location: 06/10/2026 - Senate Appropriations

Summary: The Personal Income Tax Law allows various credits against the taxes imposed by that law, including a credit of \$227 for each dependent, as defined, of a taxpayer for each taxable year beginning on or after January 1, 1999, as adjusted for inflation, and which may be reduced if a taxpayer's federal adjusted gross income exceeds a threshold amount. This bill would allow a credit against the taxes imposed by the Personal Income Tax Law for each taxable year beginning on or after January 1, 2026, and before January 1, 2031, to a qualified taxpayer in an amount equal to \$1,500 per qualified dependent, as defined. The bill would define "qualified taxpayer" for these purposes to mean a taxpayer who is or would have been, or whose spouse is or would have been, as applicable, 65 years of age or older as of the last day of the taxable year and for whom no part of their adjusted gross income for the taxable year consists of earned income, as defined. This bill contains other related provisions and other existing laws. (Based on 06/03/2026 text)

[SB 1146](#) ([Gonzalez, D](#)) **Advertisement claims: health-related consumer products and services: digital replicas and synthetic performers.**

Current Text: 06/11/2026 - Amended [HTML](#) [PDF](#)

Introduced: 02/18/2026

Last Amended: 06/11/2026

Status: 06/17/2026 - From committee: Do pass and re-refer to Com. on JUD. (Ayes 15. Noes 0.) (June 16). Re-referred to Com. on JUD.

Calendar: *06/23/26 A-JUDICIARY 9 a.m. - State Capitol, Room 437 KALRA, ASH, Chair*

Location: 06/16/2026 - Assembly Judiciary

Summary: Existing unfair competition laws make various unfair competition practices unlawful, including any unlawful, unfair, or fraudulent business act or practice and unfair, deceptive, untrue, or misleading advertising. Existing law makes it unlawful for any person doing business in California and advertising to consumers in California to make any false or misleading advertising claim. Existing law makes a person who violates specified false advertising provisions liable for a civil penalty, as specified, and provides that a person who violates those false advertising provisions is guilty of a misdemeanor. Existing law makes it unlawful for healing arts licensees, as specified, to disseminate or cause to be disseminated any form of public communication containing a false, fraudulent, misleading, or deceptive statement, claim, or image in order to induce the provision of services or products in connection with their licensed professional practice or business. Existing law makes a violation of these provisions punishable as a misdemeanor and, in the case of a licensed person, provides that a violation constitutes unprofessional conduct and grounds for suspension or revocation of a license by the relevant board. This bill would require a person who creates or causes to be created an advertisement that includes a digital replica or synthetic performer depicted as a health care provider to promote the sale of a health-related consumer product or service to include a clear and conspicuous disclosure that the health care provider depicted in the advertisement was generated or substantially altered by artificial intelligence or that no human health care

provider is depicted. The bill would also define terms for its purposes. This bill contains other related provisions and other existing laws. (Based on 06/11/2026 text)

[SB 1271](#) ([Reyes, D](#)) Midwifery: workforce data: availability to be a clinical preceptorship.

Last Amended: 06/09/2026

Status: 06/16/2026 - From committee: Do pass and re-refer to Com. on HEALTH. (Ayes 17. Noes 0.) (June 16). Re-referred to Com. on HEALTH.

Calendar: *06/30/26 A-HEALTH 1:30 p.m. - 1021 O Street, Room 1100 BONTA, MIA, Chair*

Location: 06/16/2026 - Assembly Health

Summary: Existing law, the Licensed Midwifery Practice Act of 1993, provides for the licensure of midwives by the Medical Board of California. Existing law requires specified boards, including the Medical Board of California, to request certain workforce data from their licensees, including midwives, for future workforce planning at least biennially or at the time of electronic license renewal, as applicable. Existing law establishes the Department of Health Care Access and Information, and requires the board to provide the individual licensee and registrant data it collects to the department, as specified. This bill would additionally require the board to request certain information from a licensed midwife related to their availability to serve as a clinical preceptor for student midwives enrolled in a midwifery education program, as specified. The bill would require the board to quarterly provide that information to the department for the purpose of statewide midwifery workforce planning, analysis, and public reporting. The bill would require the department to submit a report to the Legislature, on or before January 1, 2029, detailing the department's findings based on that information. The bill would require the board and department to maintain the confidentiality of information collected or provided, as specified. This bill contains other related provisions and other existing laws. (Based on 06/09/2026 text)
