GOVERNANCE MANUAL 2024

OVERVIEW

The California State Retirees (CSR) Governance Manual communicates the mission, objectives, goals and individual Board policies as they pertain to the strategic planning of our organization. It is designed to be used as a reference manual for CSR leadership and a tool for implementing good governance practice.

All documents and policies contained in this manual have been previously approved by the Board of Directors after consultation with chapter presidents and CSR committees.

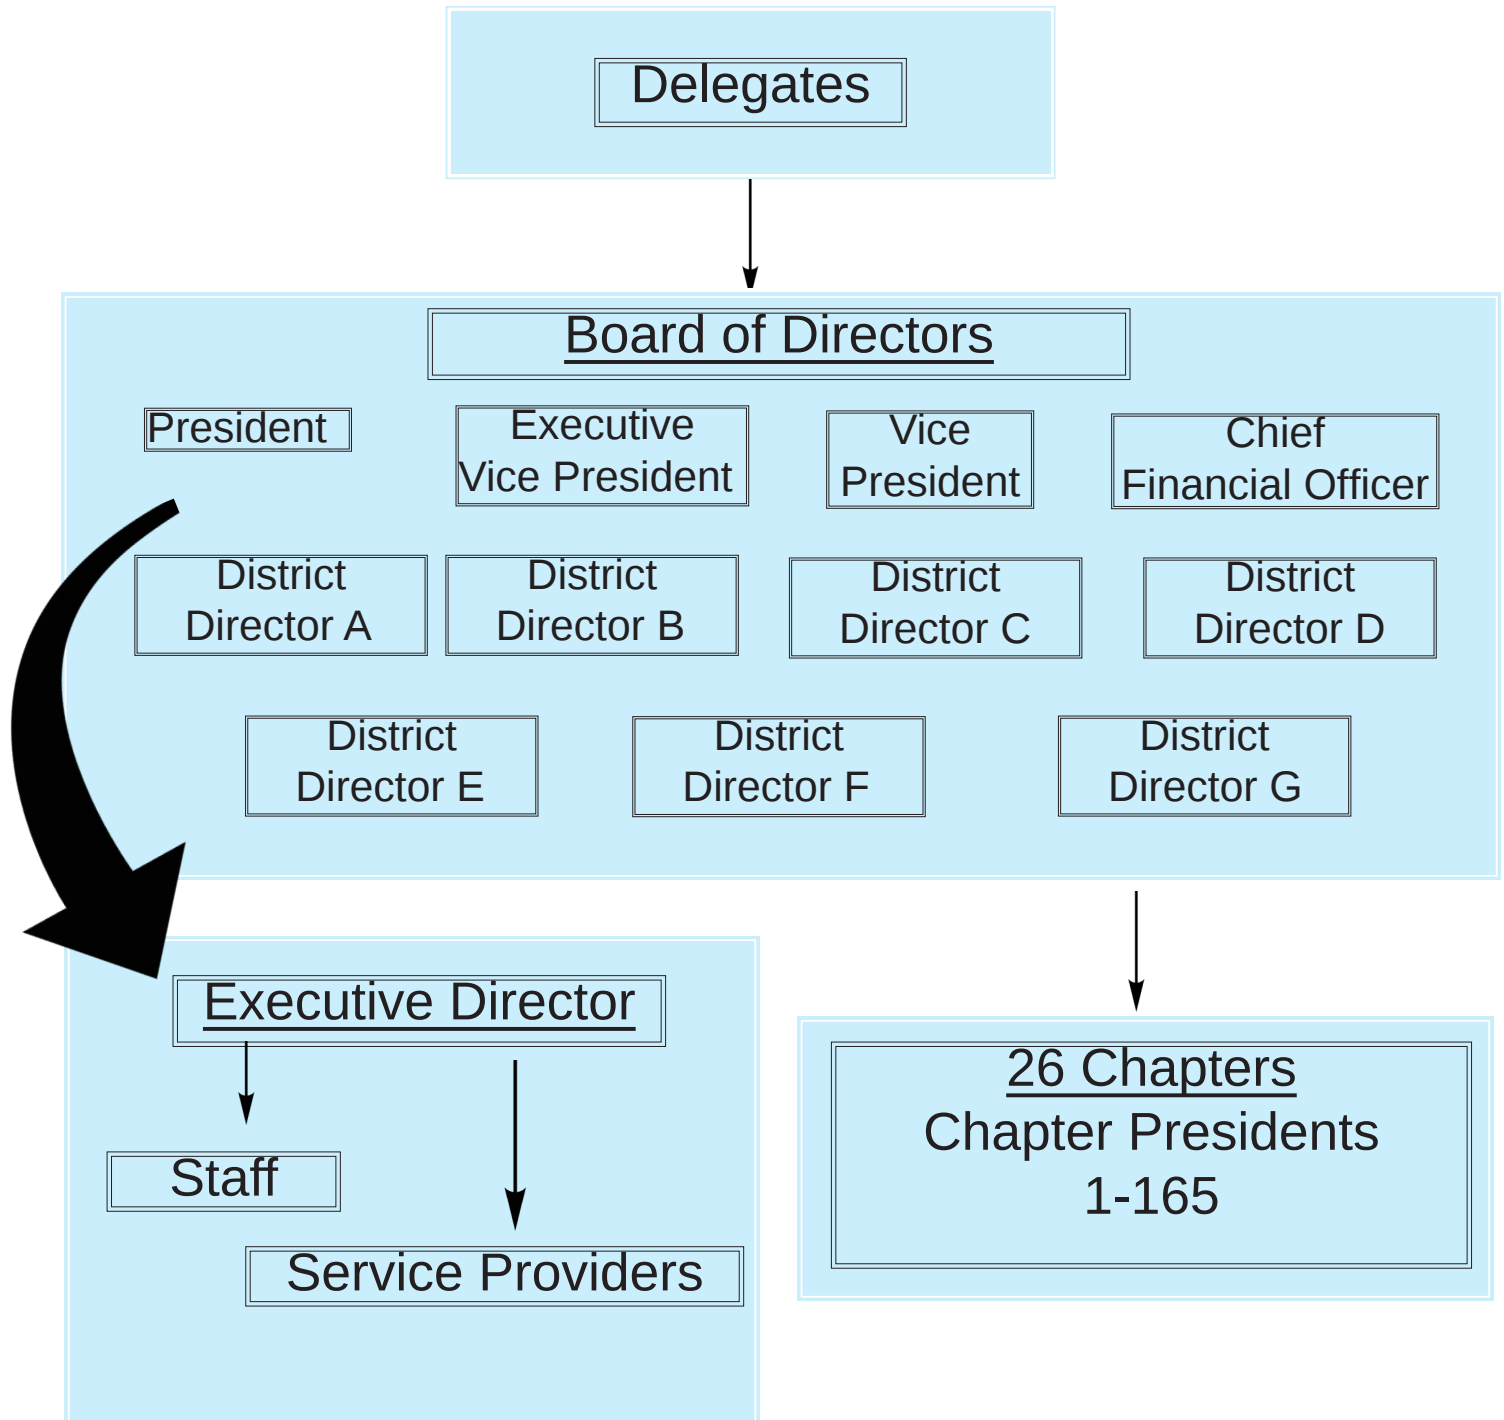

WHO WE ARE

CSR is an advocacy group whose sole mission is protecting the pensions and health benefits of all retired state employees. With almost 45,000 members and 26 active chapters, CSR is the largest and most experienced retiree organization in California.

The California State Employees Association (CSEA) was founded in 1931 as an association to protect and improve retirement benefits for all state employees who receive their pensions and health benefits from the California Public Employees' Retirement System (CalPERS). As an affiliate of CSEA, CSR serves as a medium of representation, communication and advocacy for state retirees before state agencies and the state legislature.

3. Communicates with and engages members
4. Mobilizes members
5. Leads and supports the organization at all levels

GOALS & OBJECTIVES

GOAL 1 ADVOCATE FOR STATE RETIREES' BENEFITS

To fulfill our mission, we must actively advocate for the pensions and benefits we have earned as state employees. In an era when these benefits are increasingly under attack, we must proactively educate and influence policy makers to keep the state's commitments. We will partner with other groups to advance shared goals. Our success in this effort will benefit current retirees as well as future retirees.

OBJECTIVES

- 1A: Elect desired candidates
- 1B: Influence CalPERS decisions
- 1C: Help pass or defeat legislation
- 1D: Help pass or defeat ballot initiatives
- 1E: Educate policy makers about our issues
- 1F: Measure and track our advocacy efforts and outcomes

GOALS & OBJECTIVES

GOAL 2: BUILD AND RETAIN MEMBERSHIP

Membership is the lifeblood of our organization. We need to actively recruit new members and retain our current members. We also need to build awareness about the important work that CSR does on behalf of all state retirees. The larger our membership, the more influence we wield with policy makers.

OBJECTIVES

- 2B: Focus on retaining “roll-overs” and other members
- 2C: Recruit newly retired state employees
- 2D: Raise the visibility of the CSR brand

GOALS & OBJECTIVES

GOAL 3: COMMUNICATE WITH AND ENGAGE MEMBERS

Key to our success is ensuring that all our members understand our mission and what we want to accomplish. Effective communication is essential, using different methods to reach members with clear and consistent messages about CSR's campaigns and how members can get involved.

OBJECTIVES

3A: Have effective systems of communication to reach all members

3B: Promote communication strategies that engage members

3C: Provide consistent information about CSR to members

3D: Measure and track communication and engagement efforts and outcomes

GOALS & OBJECTIVES

GOAL 4: MOBILIZE MEMBERS

To successfully protect state retirees' pensions and benefits, we need to organize and marshal our members when there is a call to action. This includes get-out-the vote, meeting with legislators and legislative staff at the state and local levels, giving testimony before CalPERS and the Legislature, and demonstrating the strength of state retirees. To the extent that we can mobilize effectively, we will be successful in achieving our mission.

OBJECTIVES

4A: Develop members to be effective representatives of CSR

4B: Prioritize and plan opportunities for mobilization

4C: Effectively implement mobilization plans

4D: Measure and track mobilization efforts and outcomes

GOALS & OBJECTIVES

GOAL 5: LEAD AND SUPPORT THE ORGANIZATION AT ALL LEVELS

To be an effective organization, we need effective leaders at the chapter level, committee level, and Board level. This requires a commitment to training and developing volunteer leaders. We need to assure effective coordination between staff and volunteers in achieving CSR's priorities. Leadership also means providing support so that everyone in the organization is acknowledged for the work they do - and has the tools and training to be effective.

OBJECTIVES

- 5A: Clarify and communicate organizational roles
- 5B: Assure effective coordination and communication in achieving the organization's goals
- 5C: Assure financial transparency and accountability

CALIF^{OR}NIA STATE RETIREES

STRATEGIC PLAN FREQUENTLY ASKED QUESTIONS (FAQs)

Question	Answer
1. Why has CSR invested in developing this strategic plan?	<p>CSR needs a strategic plan in order to:</p> <ul style="list-style-type: none">a. Make sure our mission is clear and to give us focusb. Provide a clear roadmap for how we will achieve our missionc. Make sure our resources are aligned with our prioritiesd. Clarify the roles and responsibilities within our organization <p>In short, this strategic plan articulates why our organization exists and how we will fulfill our mission to protect the pension and health benefits of all retired state employees.</p>
2. Who was involved in developing and adopting the plan?	<p>The Board and Executive Director began the process by reviewing and updating CSR's mission and establishing long-term goals. The Board then asked chapter presidents and committee chairs for input on mission and goals. A draft plan incorporating these ideas was shared with chapter presidents and committee chairs for feedback. The Board, chapter presidents, and Executive Director then developed objectives for each goal and worked on roles and responsibilities.</p>
3. Has the plan been officially approved?	<p>Yes, the Board of Directors officially adopted the plan in June 2018.</p>
4. How will the plan be used?	<p>The plan will be used to focus our efforts on fulfilling our mission. It will serve as a consistent roadmap over time so that even as Board members and staff and chapter presidents change, the organization is clear on what it is here to do for its members.</p>
5. How will the plan affect me as a member?	<p>Every member will be affected in a positive way by experiencing an organization that is aligned around our mission and our goals. Ultimately, the plan will help make sure we are as effective as we can be in protecting our members' pensions and benefits.</p>

6. As a member, how can I help implement the plan?	The best way to help implement the plan is to be informed and engaged: This means attending chapter meetings, reading the CSR's monthly newspaper and electronic newsletters, looking for opportunities to volunteer that are a good fit for you, and sharing CSR's mission with friends, colleagues, neighbors, and family.
7. How will chapter leaders implement the plan?	Chapter presidents, the Board, the Executive Director and staff will meet on a regular basis to coordinate specific initiatives, report on successes, identify issues to address, and ensure alignment of efforts.
8. How will we measure progress in achieving these goals?	The Board, chapter presidents, and Executive Director will be working together to determine the kind of data that needs to be reported from chapters so that during regular Board-chapter leader meetings, we can track our progress on achieving our goals.
9. Will there be major changes in CSR operations as a result of this plan?	The strategic plan will help CSR make sure our resources are aligned around the most important priorities. While we don't expect major changes to current operations, there will be adjustments in roles and responsibilities so that we have clear accountability about how to get our work done effectively and efficiently.
10. How much will it cost to implement this plan?	We will implement this plan within the organization's existing budget.
11. As we implement the plan, how will we take into account differences in chapter geography and capacities?	At our June 2018 meeting in San Diego, chapter presidents completed a self-assessment of their chapters' current capacities. We will use this as a starting point to understand what each chapter can offer and determine where staff support is needed. We want every chapter to exercise its unique strengths and get support where needed.

NOTE: The Chapter may continue to use a separate chapter checking account for money collected from members at a meeting for scholarships and community services

Chapters that have their accounting done by CSR Accounting do not need to submit financial reports to Headquarters.

GENERAL INFORMATION

This section provides some guidelines and suggestions on procedures that can aid the Treasurer in keeping the bookkeeping system functioning smoothly and effectively.

FIDUCIARY RESPONSIBILITY

Each chapter has a fiduciary responsibility for the funds it receives from the corporation. A fiduciary is a person or a business in which another has placed the utmost trust and confidence to manage and protect property and money.

It is therefore critical that the chapter ensures the funds received are spent for the benefit of its members and California State Retirees as a whole.

DUTIES OF THE CHAPTER TREASURER

The Chapter Treasurer is the custodian of funds for the chapter and, as such, must maintain accurate records of all chapter financial activities in accordance with Governing Rules 8.06 Chapter Officers Duties (d) Treasurer.

CHAPTER REVENUE

Each chapter shall receive \$1,000 a month plus \$.35, inclusive of active and associate members as a share of its member's dues. Allocations shall be contingent on the chapter submitting a balanced annual budget. Chapter funds shall not be invested, in any form, by any chapter.

Chapter funds shall only be used to accomplish the mission and implement the programs of CSR.

CHAPTER DUES ALLOCATION (CDA) - Governing Rules 2.08

CDA was created to ensure that chapters spend their dues money for its intended purpose. It is accounted for as follows:

At the end of the fiscal year, a chapter may hold a maximum of 3 months dues in their chapter operating account. The 3 month dues limit is calculated by taking three months of the chapter annual dues allocation for the current year. Chapters that hold more than 3 months of dues, at the end of the fiscal year will forfeit monthly dues until the chapter's operating account falls below the 3 month limit.

After the operating account decreases below the 3 month allocation limit, the chapter will receive their monthly dues allocation and may retain up to 12 months of dues income within that fiscal year.

Scholarship Funds, Grants, Special Awards and other non-dues allocation funds are not to be included in the calculation of the CDA.

CHAPTER ACTIVITIES - Governing Rule 8.07

Chapters may participate in Community Outreach to a limited extent. Such activities are considered a method of advertising or seeking public awareness for the support of CSR. Chapter dues funds may be used for such activities, but only to the extent limited to an "Insubstantial Degree" as expressed in the Bylaws.

- Member's personal contributions toward scholarships and donations to charities DO NOT get deposited into the Chapter Operating Account and DOES NOT count towards the 7% limit. **These funds MUST be held separately from the dues money issued from CSR.**

Note: "Raffles" (which require purchasing a ticket) are permissible but require the chapter to secure an annual permit. Check www/ag.ca.gov to ensure that the chapter is in compliance with State Regulations.

CHAPTER GRANTS

Grants and special funding may be authorized by the Board of Directors. Grants, received by the chapter, shall be treated as income and separately itemized under Account 001A Grants.

Records must be kept for expenditures of Grant monies on the Grants-Award-Special Funding Disbursement Record (CSR form FIN 007).

CHAPTER BANK ACCOUNT

With Chapter accounting Option #1, CSR Accounting will set up one checking account for funds received from the Corporation i.e. Dues, Grants, Awards, and special funding determined by the Board of Directors.

A chapter may have a separate checking account for special projects, i.e. scholarships or charitable contributions if the funds were collected by the chapter. This account needs to be reported separately to headquarters and does not count against the CDA.

Member contributions received in the chapter to offset any chapter expenses, i.e., meals, **MUST** be deposited in the chapter operating account. These deposits shall be noted as a credit against the appropriate expenditure code. Example: Members paying for lunch at a chapter meeting will be credited against Code 101 – Chapter meetings and money shall be deposited in the chapter operating account.

TRAVEL EXPENSE CLAIM (TEC) (CSR form # FIN 013)

Travel expense claims (TEC's) must be submitted no later than the calendar month following the date the expenses were incurred.

Travel expenses shall be reimbursed as follows:

- a. Airfare, round trip mileage to the airport, parking and shuttle service at the destination vs. round trip mileage from home to destination
- b. When calculating the airfare, the ticket must be calculated at the cost for a ticket purchased at least three weeks in advance (not at the last minute) and for the same days of the week.
- c. The amounts shall be calculated for each individual round trip.
- d. The member may drive but would **not** receive the full mileage calculation if the other option is less expensive
- e. Mileage will not be reimbursed for rental vehicles.

- f. Payment of additional cost of lodging and meals are determined by the chapter if the member's method of choice takes longer than the least expensive.

The mileage rates are adjusted to the IRS rate on January 1st and July 1st each year. Chapters will be notified of the changes in rates.

RECEIPTS AND DISBURSEMENTS LEDGER

The Receipts and Disbursements Ledger is a record of all receipts and expenditures of the chapter. The ledger shall be maintained and present an accurate, up to date record of available monies after all deposits and expenses have been recorded.

A separate ledger shall be kept for each account the chapter has.

CREDIT CARDS

Chapters are **NOT ALLOWED** to have credit cards or ATM/debit cards in the name of the Chapter or California State Retirees (CSR).

A member's personal credit or debit card can be used for chapter expenditures. Member will be reimbursed by use of the Check Request form (CSR form FIN 004) submitted to the chapter with the receipt for services, credit card receipt and back up documentation

Grants and special funding authorized by the Board and received from CSR Accounting, shall be treated as Income and separately itemized under Account 001A Grants.

Records must be kept for these expenditures on the Grants-Award-Special Funding Disbursement Record. (CSR Form # FIN 007).

Chapter funds shall not be invested by any chapter and shall only be used to accomplish the mission and implement the programs of CSR.

CHAPTER DUES ALLOCATION (CDA) Governing Rule 2.08

CDA was created to ensure that chapters spend their dues money for its intended purpose. It is accounted for as follows:

At the end of the fiscal year, a chapter may hold a maximum of 3 months dues in their chapter operating account. The 3-month dues limit is calculated by taking three months of the chapter annual dues allocation for the current year. Chapters that hold more than 3 months of dues, at the end of the fiscal year will forfeit monthly dues until the chapter's operating account falls below the 3-month limit.

Funds forfeited are placed back into the CSR General Operating Account.

After the operating account decreases below the 3-month allocation limit, the chapter will receive their monthly dues allocation and may retain up to 12 months of dues income within that fiscal year.

Scholarship Funds, Grants, Special Awards and other non-dues allocation funds are not to be included in the calculation of the CDA.

CHAPTER ACTIVITIES - Governing Rule 8.07

Chapters may participate in Community Outreach to a limited extent. Such activities are considered a method of advertising or seeking public awareness for the support of CSR. Chapter dues funds may be used for such activities, but only to an “Insubstantial Degree” as expressed in the Bylaws, i.e. not exceeding 7% of the chapter’s annual estimated dues income.

Activities considered as Community Outreach are:

- (1) Scholarships
- (2) Food banks
- (3) Charitable giving

Chapter budget, line item 201, Community Outreach, shall be used to budget for any anticipated expenditures in support of community outreach.

- ◆ Member’s personal contributions toward scholarships and donations to charities DO NOT get deposited into the Chapter Operating Account and DOES NOT count towards the 7% limit. These funds MUST be separated from the dues money issued from CSR.
- ◆ Raffles, (which require purchasing a ticket) are permissible but require the chapter to secure an annual permit. Check **www/ag.ca.gov** to ensure that the chapter is in compliance with State Regulations.

Section 9. Proxies Prohibited. Proxy votes are prohibited.

Section 10. Floor Privileges. Only Delegates of the Corporation may make or speak to motions on the floor of the Delegate Assembly, except that reports of any committee established by the Delegate Assembly, by the Board or by these Bylaws may be presented by the chairperson or other duly authorized member of the committee even if not a delegate. - C. Form, Content, and Distribution of Resolutions. All proposals shall be in the form of a resolution, and shall propose only such action as the Corporation may lawfully take. The Board of Directors may make rules for the form, content and distribution of resolutions, the correction or deletion of material deemed to be in violation of these Bylaws or illegal, libelous, or otherwise likely to subject the Corporation to liability.
- D. Effective Date. All resolutions adopted by the Delegate Assembly shall become effective upon the adjournment of the Delegate Assembly at which adopted unless the resolution or a provision of the Bylaws or applicable law requires a later effective date.

Section 12. Rules. Meetings of the Delegate Assembly shall be governed by rules which shall be adopted as its first order of business. Any procedural questions not governed by such rules shall be governed by Roberts Rules of Order, latest edition. All such rules of procedure shall be subject to these Bylaws and applicable law.

Section 13. Committees of the Delegate Assembly. The Delegate Assembly may establish standing and ad hoc committees as it may deem advisable, to be constituted and to serve such term as the Delegate Assembly may determine. Unless the Delegate Assembly appoints the members of such committees, or specifies another method for their appointment, the President shall appoint the members and fill any vacancies which may occur on such committees. Committee action shall not have any effect until reported to and adopted by the Delegate Assembly or the Board of Directors. Committees shall report to the Board of Directors between sessions of the Delegate Assembly.

Rules for notice of meetings. The ballot shall indicate the number of responses needed to meet the quorum requirement, state the votes necessary to adopt the measure(s), and specify the date the ballot must be received in the Corporate office to be counted. Each ballot shall set forth the proposed action, provide the Delegates an opportunity to specify approval or disapproval of each proposal, and provide a reasonable time in which to return the ballot to the Corporation.

Section 16. Number of Votes and Approvals Required. Adoption by mail ballot shall be valid only when:

- A. The number of votes cast (including those ballots that are marked "withheld" or "abstain" or otherwise indicate that authority to vote is withheld) by the date specified meets the quorum required to be present at a meeting authorizing the action; and
- B. The number of approvals equals or exceeds the number of votes that would be required for adoption at a meeting at which the total number of votes cast were the same as the number of votes cast by mail ballot.

Section 17. Retention of Ballots. All mail ballots shall be filed with the Chief Financial Officer/Secretary and maintained in the Corporate office records for at least three years.

With the approval of the Board of Directors, the Corporation may incur and pay obligations in excess of those included in the budget if funding for such additional expenditures is provided either by: (1) dues or other revenues in excess of those anticipated by the budget; or (2) savings on other budgeted items. Amounts included as "reserves" in the budget may be used only with the approval of two-thirds of the Directors, and then only to cover obligations that were incurred involuntarily and must be paid to avoid legal liability for the Corporation.

2. Operations Reserve.

There is established a liquid asset account, at the same financial institution as the CSR operating account. This liquid asset account is to support the operating account at such time additional operating funds may be needed. The amount of funds in this liquid asset account shall be no less than one (1) month of dues revenue. The need of use (for operations only) of funds from this liquid asset account shall be presented to the Finance Committee and Board of Directors. After hearing recommendations from the Finance Committee, the Delegate Assembly or Board of Directors shall approve or disapprove the use by a two thirds vote. When funds are used they shall be returned to the liquid asset account beginning 30 days after withdrawal. (Resolution FIS 3/15, Delegate Assembly 10/13/15; Resolution FIS 4/4, Delegate Assembly 10/23/18)

- D. Automatic Amendment. If, as a result of any action taken by the Association without the consent of the Corporation, the amounts which the Corporation is required to pay to the Association for indirect costs or other increases beyond the amount included in the Corporation's budget, the budget shall automatically be amended to authorize the payment of such greater amount.
- E. Application of Credits. The Corporation's credits with the Association for its positive fund balances as of the date it receives a charter from the Association, and any future credit balances with the Association or any

other supplier, shall be treated as part of the Corporation's sources of funds for budget purposes, and applied to budget expenses as quickly as permitted by the Association or such other supplier.

Section 3. Borrowing. The Corporation may borrow money for Corporate purposes, on terms approved by the Board, only to the extent authorized by its current budget.

Section 4. Sequestration. Nothing contained in the budget can compel the Corporation to make any expenditure or loan of corporate funds or any lease or transfer of other corporate assets. If the Board of Directors determines that it is in the best interests of the Corporation to delay, limit or withhold any expenditure or loan of Corporate funds or any loan, lease or transfer of any of its assets, then it may sequester such funds or other assets for as long as it deems advisable. Sequestered assets may not be counted as a reduction in expenditures for purposes of reallocating budget items.

Section 5. Investment of Corporate Funds. Corporate funds in excess of those needed for current expenses shall be deposited in one or more accounts:

- A. Insured by the U.S. Government in depository institutions chartered by the U.S. Government or by the State of California, or invested in securities issued by, and backed by the full faith and credit of the U.S. Government or the State of California.

Article XV Receivership

If necessary, in the discretion of the Corporation, to prevent waste or misappropriation of the assets of a Chapter, to reduce the risk of legal liability to the Corporation or for other reasons determined by the Board of Directors, in its discretion, the Corporation may assume direct responsibility for the conduct of the business and affairs of a Chapter. In such event, all the assets, records, and activities of the Chapter shall be managed and controlled by the duly authorized agents of the Corporation. The members and officers of the Chapter shall cooperate with such agents by turning all such items over to them, explaining all records and transactions as requested, and otherwise taking all actions necessary to permit efficient management of Chapter affairs by such agents. Receivership does not require prior notice, but as soon as reasonable after it is imposed, but not more than 60 days, the Corporation shall give the officers and members of the Chapter a hearing on the question of the removal of such receivership. Receivership shall continue as long as necessary to resolve the problems that made it necessary. All rights of the members of the Corporation shall be preserved during receivership, but they shall have rights with respect to the Chapter as may be allowed by the Board of Directors.

The Board of Directors shall have the right to establish rules to implement these provisions for the protection and benefit of the Corporation, its members and the members of the affected Chapter.

As stated herein, the Corporation shall hold harmless and indemnify its Directors, Officers, subordinate officers, committee members, employees, and other persons described in Section 7237(a) of the California Corporations Code including persons formerly occupying any such positions (all referred to in the article as "agents"), against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any "proceeding," as that term is used in that section, including an action by or in the right of the Corporation, by reason of the fact that the person is or was an "agent" of the Corporation, as defined above. "Expenses" as used in this article, shall have the same meaning as in Section 7237(a) of the California Corporations Code.

Section 2. Approval of Indemnity. On written request to the Board of Directors by any agent seeking indemnification, to the extent that the agent has been successful on the merits, the Board shall promptly authorize indemnification in accordance with Section 7237(d) of the Corporations Code. Otherwise, the Board shall promptly determine, by majority vote of a quorum consisting of Directors who are not parties to the proceeding, whether, in the specific case, the agent has met the applicable standard of conduct stated in Section 7237(c), and, if so, shall authorize indemnification to the extent permitted by law. If the Board cannot do so because there is no quorum of Directors who are not party to the proceeding for which indemnification is sought, the Board shall promptly call a meeting of the Chapter Presidents. At that meeting the Chapter Presidents shall determine whether, in the specific case, the applicable standard of conduct stated in

such section has been met, and, if so, the Chapter Presidents shall authorize indemnification to the extent permitted thereby.

Section 3. Advancement of Expenses. To the fullest extent permitted by law and except where otherwise determined by the Board, or the Chapter Presidents, in a specific instance, expenses incurred by a person seeking indemnification under this Article in defending any proceeding covered hereby shall be advanced by the Corporation before final disposition of the proceeding, on receipt by the Corporation of an undertaking by or on behalf of that person that the advance will be repaid unless it is ultimately determined that the person is entitled to be indemnified by the corporation for those expenses.

Section 4. Insurance. The Corporation shall have the right to purchase and maintain insurance to the full extent permitted by law on behalf of its agents, defined as Directors, officers, subordinate officers, committee members, employees and other authorized persons deemed eligible, against any liability asserted against or incurred by any such person in such capacity or arising out of the status of such agent of the Corporation.

Article XXI Amendments to Bylaws

These Bylaws may be amended, or new Bylaws adopted, by vote or written consent of two-thirds (2/3) of the Delegates present and voting at any duly called, noticed and held meeting of the Delegate Assembly at which a quorum is present, provided advance notice of the proposed amendment has been given to the Delegates at least 30 days before the meeting is held. To facilitate such expression, the Corporation's office staff shall mail to the members of the Delegate Assembly appropriate ballot forms, together with the pros and cons of the issue at hand.

C. Canvassing of Ballots. The Executive Vice President at a time and place designated by the Board of Directors, in the presence of one or more witnesses, shall canvass the ballots which are returned. 10.07 Resolutions

All matters presented to the Delegate Assembly for action shall be submitted in the form of resolutions. A resolution consists of whereas and resolved clauses. Whereas clauses state the need for action and resolved clauses state the action requested.

(a) Drafting of Resolutions

A resolution begins with an idea addressing an issue that a person feels needs to be improved, amended, replaced or rescinded. A resolution can be submitted by: 1. the Board of Directors; 2. any delegate; 3. any delegate-elect; 4. a standing committee; 5. any chapter.

A resolution is written in two parts. The first part states the reason for the resolution, pointing out selected facts concerning the issue. Each reason or fact is a short, separate paragraph which begins with "WHEREAS," is consecutively numbered, and must be a complete statement. Any number of WHEREAS clauses can be presented to support the reasons for the proposal.

The second part of a resolution simply states what action should be taken to achieve the desired result. Again, there can be any number of actions intended in separate statements called "RESOLVED" paragraphs, consecutively lettered. All requested actions must be related to the particular issue.

Requirements for preparation of RESOLVED clauses are:

- (1) must be complete statements (sentences) which stand on their own merits;

- (2) must clearly state the intent of the author;
- (3) must identify the section of the Bylaws which is affected, if any; and
- (4) must clearly reflect the subject matter.

(b) Responsibility of Proponent

The primary responsibility for ensuring that a resolution intended for submission to the Delegate Assembly is in proper form rests with the proponent.

(c) Format of Resolution

Resolutions submitted to the Delegate Assembly must set forth the subject, the name of the proponent, including chapter number if it is submitted by an individual, and a reference to the appropriate section of the Bylaws, if ascertainable by the proponent, in the following form at the beginning of the resolution:

SUBJECT:

SUBMITTED BY:

REFERENCE:

WHEREAS, (1), now therefore be it RESOLVED, (a)

Principal Proponent _____
(individual, chapter, etc.)

Resolutions submitted by 10 or more active members of the Corporation or signed by 5 or more delegates or delegates-elect of the Delegate Assembly shall indicate the principal proponent in the above form.

Amendments to the Bylaws shall be in a form which indicates proposed deletions to existing language in strikeout type and proposed additions to existing language in underline type. If a proposed amendment is to delete an entire section, a statement to that effect is all that is necessary.

The resolution must contain an estimate of probable cost to the Corporation in the following form:

ESTIMATED CORPORATION COST:

(d) Processing of Resolutions

All resolutions received in the Corporate office no later than 60 days prior to the convening of a Delegate Assembly shall be forwarded to the members of the Resolution Screening Committee. Resolutions may be proposed by 10 or more delegates and delivered to the Corporate office before 12 noon of the 30th day preceding the convening of the Delegate Assembly.

Any resolution submitted by email shall be accompanied by a scanned copy of the signatures of the proponents of the resolution.

Upon receipt of the resolutions, the members of the Resolutions Screening Committee shall review them for the immediate purpose of offering guidance to the proponent of a resolution that has inadequacies. The proponent is to be informed as to what changes or corrections need to be made in order to eliminate the inadequacies. Corporate office shall be notified as soon as possible in order for them to notify the proponent so that the resolution can be corrected and put in proper form. Any resolution so changed or corrected must be submitted prior to the final deadline for submission of resolutions.

(e) Personal References

The Corporation will not publish resolutions to be heard at the Delegate Assembly which names any individual person or alludes to any Corporation member in language that may be deleterious to that person's character and/or reputation. Such resolutions shall be referred by the president to the Board of Directors.

(f) Suspended Resolution

The Board of Directors may, for substantial cause, suspend enforcement of a Delegate Assembly resolution by a two-thirds

vote. The Board of Directors must immediately initiate a resolution to the Delegate Assembly delegates to rescind or amend the suspended resolution (to be considered either between sessions or in the next succeeding session). Failure of the Delegate Assembly to rescind or amend the suspended resolution lifts the suspension and restores the suspended resolution to its original form, requiring immediate implementation.

(g) Conflicts Between Resolutions

In interpreting the action of the Delegate Assembly where a conflict exists between two or more resolutions:

- (1) The most recently adopted resolution shall govern when the conflicting resolutions were adopted at different Delegate Assemblies;
- (2) The Board of Directors shall resolve the conflicts between resolutions adopted at the same Delegate Assembly by taking into consideration the overall actions of the Delegate Assembly in order to determine its intent with respect to any individual resolution; and
- (3) If the Board of Directors cannot determine the intent of the Delegate Assembly, it may submit conflicting resolutions to the delegates to resolve the conflict.
